

GEHMAN

DESIGN REMODELING

Is sponsoring a **FREE** Seminar

“Open Up Your House”

Learn about remodeling projects where the house was opened up without adding on more space. We'll look at before and after drawings and pictures of Kitchens, Baths, Basements and more. Bring pictures (interior and exterior photos) of your house to have our Certified Designers, Carpenters and Remodelers talk with you about what your house could look like.

Gehman Design Remodeling
