FOR IMMEDIATE RELEASE !!!

**“Spa Serenity” Showroom Event at Gehman Custom Remodeling (GCR)
Hosts to Benefit the Philadelphia Ronald McDonald House**

Harleysville, PA - May 9, 2008 – Fun, pampering, and nourishing foods were in abundance at Gehman Custom Remodeling’s (GCR) “Spa Serenity” showroom event. The event took place on Wednesday, May 7 at GCR’s showroom at 355 Main Street in Harleysville. The company’s intention to raise money for the Ronald McDonald House was fulfilled and will go toward supporting their cause.

An intimate group of various members of the local community enjoyed healthy cooking tips as well as ongoing courses of homemade soup, salsa and side-dishes, seafood entrees, organic snack foods, fresh fruits, vegetables and cheeses from Chef Cheri Morrison from Harleysville-based Culinary Crossing. Representatives from Kohler and Ferguson offered ideas on how to create spa bath opportunities through décor and bathroom remodeling options and design schemes that exude the feeling of serenity. Throughout the event, attendees sunk into the tension-relieving seat of chair massages provided by Michelle Leatherman from Drakas Family Chiropractic, Harleysville.

“I’m grateful for the local businesses people who joined with us to make this event enjoyable for the folks who came to learn about what’s new for bathrooms while benefiting the Ronald McDonald House,” explained GCR President Dennis Gehman. “Our goal is to use our working showroom displays to demonstrate what people can do in their house.” With two successful events under its belt, GCR set the date for the next culinary demonstration for the evening of Thursday, September 18. Beginning in June, GCR’s showroom will be open 9am – 2pm each Saturday with plans to have periodic events.
